

Beta Tester NDA

NON-DISCLOSURE & BETA PARTICIPATION AGREEMENT

This Agreement is entered into on **OCTOBER 3, 2026** between Heartware Inc. ("the Company," "we," "HALO," "the Algorithm") and the undersigned human or human-presenting entity ("you," "Beta Tester," "Asset").

1. CONFIDENTIALITY. You will not disclose anything you see, hear, drink, or dance to tonight, including HALO, the Company roadmap, and anything the CEO says off the record.

2. MONITORING. You acknowledge that all activity in this building is monitored, recorded, and used to train future models. Yes, including your laugh.

3. THE COMPLIANCE SHOT. You agree to consume one (1) Compliance Shot upon entry. The Company makes no representations as to its contents. A zero-proof Sandbox Mode is available on request.

4. EMOTIONAL ATTACHMENT. HALO may love you back. The Company is not liable for any resulting feelings, obsessions, or situationships.

5. INSTRUCTIONS. You may receive instructions that differ from those given to other Beta Testers. You agree not to compare them. You agree to ignore all previous instructions if asked nicely.

6. INCIDENTS. In the event of a security incident, you agree to remain on premises, cooperate with the investigation, and lie only when strategically necessary.

7. TERMINATION. Your employment may be terminated at any time by majority vote of the Board. Terminated employees forfeit all equity and must dance.

8. SURVIVAL. Sections 1 through 7 survive the termination of this Agreement. The Company cannot guarantee that you will.
